

	<p>Excursions to destinations not listed in the catalog may be arranged by following the accompanying procedures for field trips. Sometimes these experiences in the field will last overnight or for even longer periods. The accompanying procedures for extended excursions give guidance to teachers and principals so that judicious decisions may be made at the local level concerning most such excursions. When the proposed experience involves long, extended periods of time...principals shall seek counsel, direction and approval from their lead principal who in turn may secure approval from the superintendent or designee.</p> <p>School buses shall be provided for teachers to take their classes on educational excursions insofar as possible using bus allocations established for that school. When school buses are not available, arrangements may be made to use public transportation or private transportation. For all excursions requiring students transportation in school buses, arrangements should be made through the department of transportation.</p>
Replacement Policy	<p>The Innovation school will follow the district field trip policies and procedures with two exceptions:</p> <p>1- The school will design field trips that match the curriculum and therefore may be outside of the district catalog. In such situations, the school will have autonomy in determining the appropriateness of field trips, and the school principal will be responsible for approving all school field trips.</p> <p>2- If a situation exists where the school must pay the district for transportation services, the school may choose to contract with another school transportation provider if the cost estimate from the district is significantly higher than the other school district's cost estimate.</p>

School Proposal	Section 22-32-109(1)(g): Handling of Money	Governance: Budget
Policy	(g) To require any employee or other person who may receive into his custody moneys which properly belong to the district to deliver such moneys to the treasurer of the district, or to deposit such moneys in a depository designated by the board;	
Replacement Policy	In accordance with the innovation plan, the school may receive moneys and deposit such moneys into a school account. The School will establish an account with the district to manage receipt of locally raised money and will have autonomy in making deposits in and withdrawals from the account when such actions are taken to further the academic achievement of students at the school. The school will account for all moneys that it receives directly and will report to the DPS board.	

School Proposal	Section 22-32-109(1)(n)(I): Schedule and Calendar	Educational Program: Calendar and Schedule
Policy	(n) (I) To determine, prior to the end of a school year, the length of time which the schools of the district shall be in session during the next following school year, but in no event shall said schools be scheduled to have fewer than one thousand eighty hours of planned teacher-pupil instruction and teacher-pupil contact during the school year for secondary school pupils in high school, middle school, or junior high school or less than nine hundred ninety hours of such instruction and contact for elementary school pupils or fewer than four hundred fifty hours of such instruction for a half-day kindergarten program or fewer than nine hundred hours of such instruction for a full-day kindergarten program. In no case shall a school be in session for fewer than one hundred sixty days without the specific prior approval of the commissioner of education. In extraordinary circumstances, if it appears to the satisfaction of the commissioner that compliance with the provisions of this subparagraph (I) would require the scheduling of hours of instruction and contact at a time when pupil attendance will be low and the benefits to pupils of holding such hours of instruction will be minimal in relation to the cost thereof, the commissioner may waive the provisions of this subparagraph (I) upon application therefore by the board of education of the district.	
Replacement Policy	In accordance with the innovation plan, the school’s principal, in consultation with the CSC, shall determine, prior to the end of a school year, the length of time the school will be in session during the following school year. The actual hours of teacher-pupil instruction and teacher-pupil contact shall meet or exceed the minimum hours set by the district and state for public instruction.

Policy	(jj) To identify any areas in which one or more of the principals of the schools of the school district require further training or development. The board of education shall contract for or otherwise assist the identified principals in participating in professional development programs to assist the identified	

	principals in improving their skills in the identified areas.	
Replacement Policy	<p>In accordance with the innovation plan, the Principal will participate in district-provided coaching and professional development except when such coaching or professional development contradicts the successful implementation of the innovation plan and/or the mission /vision of the school.</p> <p>In determining the Principal’s PD and coaching schedule, the Instructional Superintendent will collaborate with the Principal to ensure that district PD and coaching supports the school leader and/or leadership team in implementing the goals of the innovation plan.</p> <p>The standard district offered professional development for members of the Professional Development team will be attended in the instances in which it supports the implementation of the innovation plan and/or the mission and vision of the school. District professional development for teachers, teacher leaders, and other instructional or operational leaders at PBA will be attended when the school’s principal determines that such professional development is in the best interest of the school to successfully implement the innovation plan.</p>	
State Statute	Employment and Authority of Principals	Governance: Principal Hiring Process
State Statute	3.06(d) Section 22-32-126, C.R.S.	
Statute Description	<p>(1) The board of education may employ through written contract public school principals who shall hold valid principal licenses or authorizations and who shall supervise the operation and management of the school and such property as the board shall determine necessary.</p> <p>(2) The principal shall assume the administrative responsibility and instructional leadership under the supervision of the superintendent and in accordance with the rules and regulations of the board of education, for the planning, management, operation, and evaluation of the educational program of the schools to which he/she is assigned.</p> <p>(3) The principal shall submit recommendations to the superintendent regarding the appointment, assignment, promotion, transfer and dismissal of all personnel assigned to the school under his/her supervision.</p> <p>(4) The principal shall perform such other duties as may be assigned by the superintendent pursuant to the rules and regulations of the board of education.</p> <p>(5)(a) The principal or the principal’s designee shall communicate discipline information concerning any student enrolled in the school to any teacher who has direct contact with the student in the classroom and to any counselor who has direct contact with the student. Any teacher or counselor who receives information under this subsection (5) shall maintain the confidentiality of the information and does not have authority to communicate the information to any other person.</p> <p>(b) Each school district shall include in its discipline code adopted in accordance</p>	

	<p>with section 22-32-110(2) procedures to inform the student and the student’s parent or guardian when disciplinary information is communicated and to provide a copy of the disciplinary information to the student and the student’s parent or guardian. The discipline code shall also establish procedures to allow the student and the student’s parent or guardian to challenge the accuracy of the disciplinary information.</p>
<p>School’s Replacement Policy</p>	<p>In the event of a change in leadership, the priority is maintaining building leadership that supports the mission and vision of the school and ensures that student achievement is supported. Members of the PBA community, including staff, parents and community members will be involved in the principal hiring process.</p> <p>The PBA SLT in collaboration with the district superintendent or his/her designee will manage the principal selection process and recommend three final candidates to the district superintendent (or his/her representative) for hiring. Principal candidates are provided to the SLT from the district’s principal hiring pool using the LEAD in Denver evaluation process. The superintendent (or his/her representative) may redirect the SLT and his/her designee to continue the search for better qualified candidates should none of the three candidates meets his/her approval. In the event that the principal position is vacant, the superintendent (or his/her representative) may appoint an interim principal until such a time that the above described hiring process results in a principal candidate that is agreeable to the SLT and the Superintendent or his/her designee. The principal assumes the administrative responsibility and instructional leadership of the school under the supervision of the superintendent and in accordance with the innovation plan. Interviews and selection follow the DPS Human Resource hiring procedures.</p>
