

Section 2. Vocabulary and Comprehension

Vocabulary and Comprehension Introduction

Successful literacy instruction and interventions, especially for at-risk students and those with reading disabilities, provide a strong core of highly explicit, systematic teaching of foundational skills such as decoding and spelling, as well as explicit teaching of other important components of literacy such as vocabulary, comprehension, and writing.

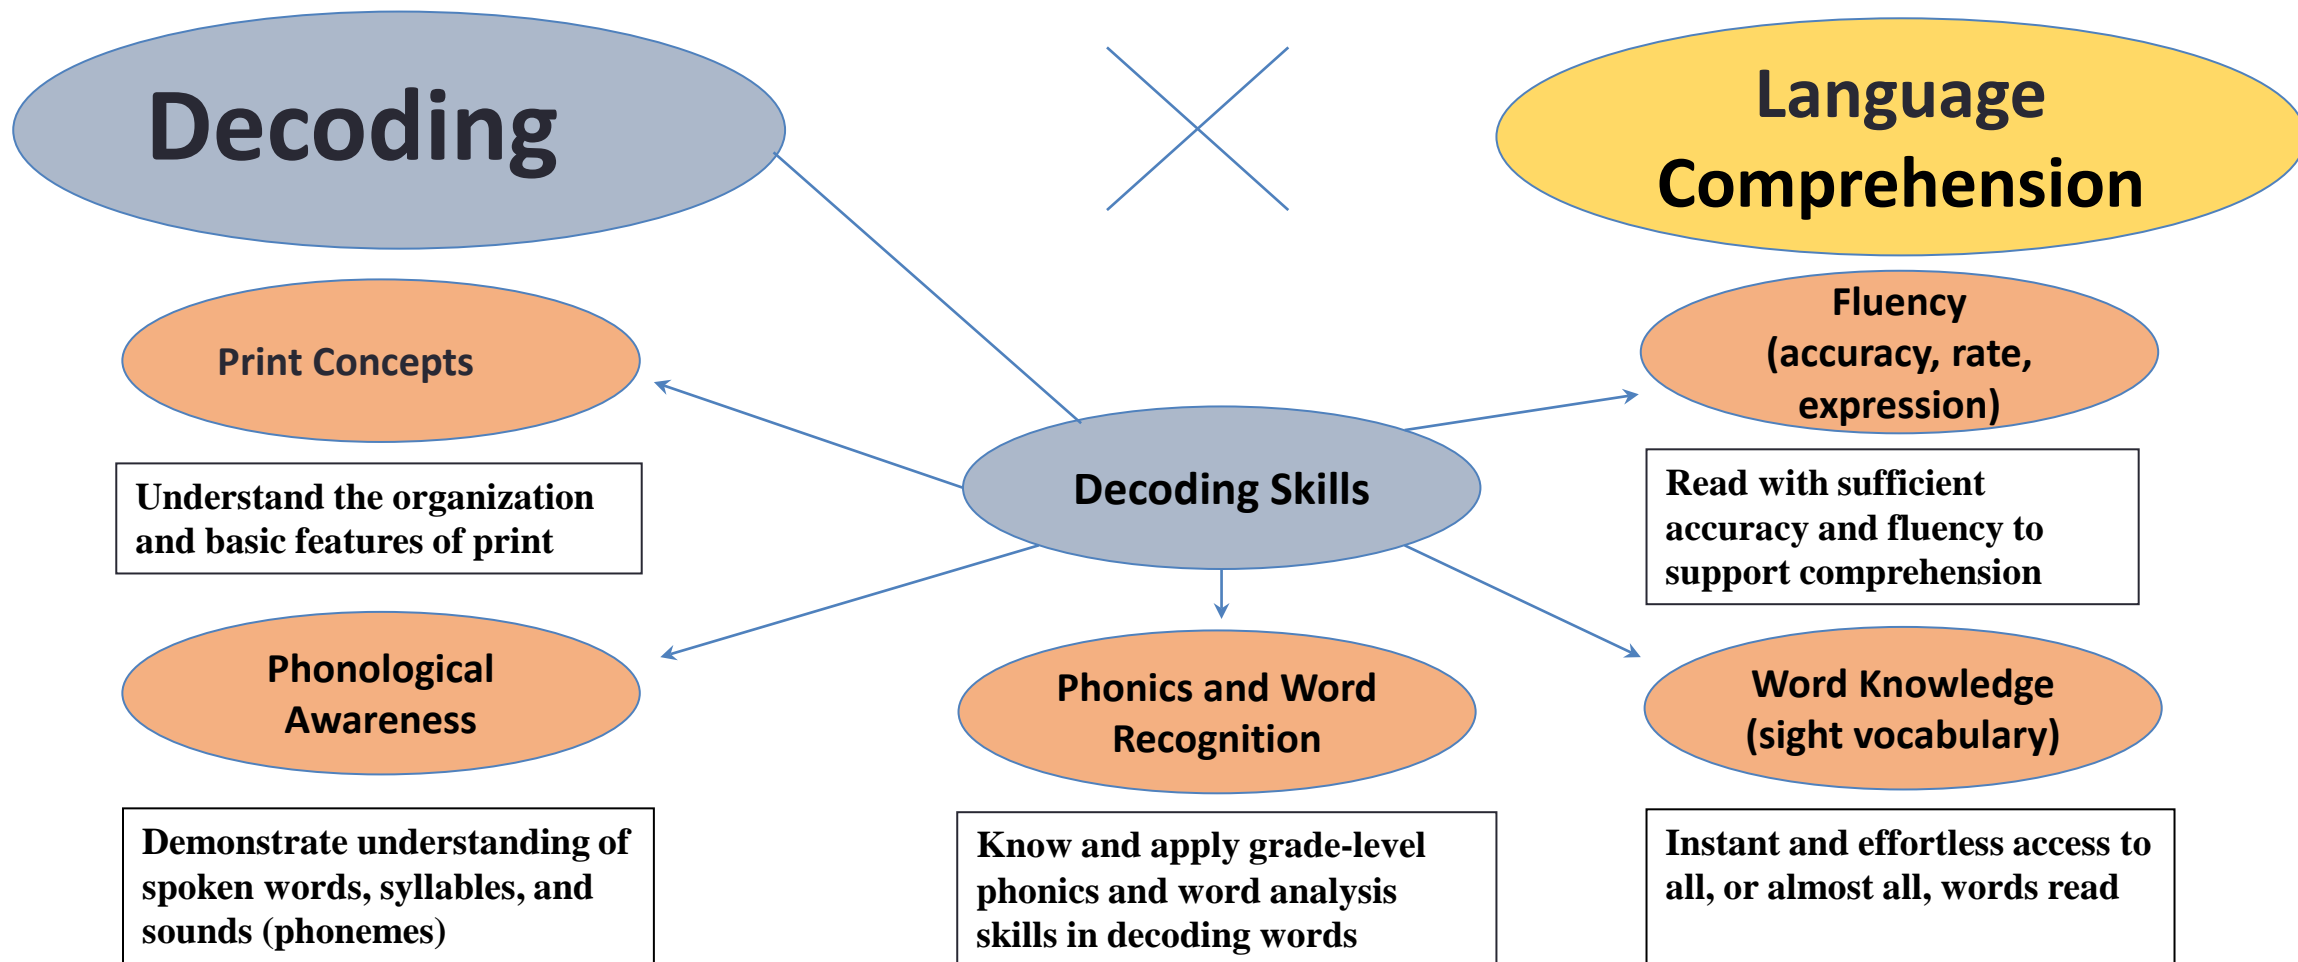

(Fletcher et al., 2018; Gersten et al., 2008; Graham et al., 2012; Torgesen, 2004).
